Dear William,

On behalf of our board, staff and residents, we are pleased to thank you for your donation of \$200 made during GiveBIG. Thanks in part to your generosity, we will receive a \$10,000 challenge grant from a local foundation, in addition to stretch funds from Seattle Foundation.

Your support will allow us to expand our resident services program. Starting this summer, we will be able to serve even more of the low-income families and individuals who have an affordable home because of donors like you.

Capitol Hill Housing provides quality affordable homes to more than 1,800 of our neighbors across the city in our 44 buildings, which include historic apartments as well as award-winning new developments. In addition to maintaining our buildings, we are active in sustainable community development. With you, we will continue building vibrant and engaged communities while increasing the number of people we serve, with projects like 12th Avenue Arts.

Thank you again for your support of our work.

Sincerely,

Christopher Persons
Chief Executive Officer
Capitol Hill Housing

Thank you Bill!
