Dear Bill,

~~Thank you for all the support you have shown to Habitat for Humanity Seattle-King County over the years!~~ We are so grateful for the generous discounts you have provided and for helping us to secure the best rates through other vendors. Thank you for your recent assistance acquiring discounts on sheetrock for construction of the 3-plex we are working on in Renton. The savings you have granted us will help us build more homes, communities and hope and make our mission of affordable home-ownership a reality for our partner families. We are honored to be working with you in serving the community!

Your support allows us to continue to advocate for affordable housing and alleviate poverty by enhancing household opportunities and reducing vulnerabilities through stable housing. This culture of partnership and community support is vital to the achievement of our goals. By engaging the community and working with other community players, we are able to focus on revitalization of the neighborhood as a whole and to deliver sustained community redevelopment.

In 2011, the City of Federal Way awarded Habitat a Neighborhood Stabilization Program grant to acquire and renovate vacant or foreclosed homes in the greater Westway neighborhood. This past weekend, two families received the keys their new homes, marking the tenth and final home in this three year program. In total, Habitat has renovated or repaired 48 homes in the area and participated in countless community efforts to drive out crime and improve living conditions in the neighborhood. The police opened a substation at the entrance of the neighborhood. The City installed street lights. A neighborhood playground and a soccer field were constructed. The community transformation continues through the committed efforts of the City, local church and civic groups and the residents.

*Habitat's work has impacted the entire community in a way that's much bigger than just the Habitat homes. It didn't just benefit the families who bought the homes but it also made a huge difference to the families that have been there for years." ~Roger Maggio, Windermere*

If you would like to speak with us about your donation or additional ways to get involved, please contact our Development Manager, Jessie Kotarski, at 206-866-7616 or by email at [jessiek@habitatskc.org](mailto:jessiek@habitatskc.org).

Best regards,
