Administrator

Dear Bill,

Please accept our deepest gratitude for your donation of \$250.00 for the RX Laughter Luncheon to benefit Camp Korey campers and families.

With this support children from the Pacific Northwest will have an opportunity to experience an extraordinary week of adventure and camaraderie. For many of them this will be the first time they have caught a fish, groomed a horse, or socialized with peers living with the same illnesses. Your thoughtfulness, kindness and care will help us to make special memories for children with serious illnesses.

Best Regards,

Sally J. Gray
Director of Development
